MEMORANDUM

DATE: February 17, 2009

TO: Board of Supervisors

FROM: Lew C. Bauman  
County Administrative Officer

SUBJECT: County Administrative Officer's Weekly Report for February 16, 2009

This is the weekly report by the County Administrative Officer to the Board of Supervisors. This report provides information on issues affecting the County and the progress of County activities.

County Administrative Office

Over the weekend due to the storms, the County Administrative Officer declared a local emergency to prevent flooding of homes and residences around the Carmel Lagoon area. In addition to residential neighborhood impacts, unmitigated flooding would inundate potable water delivery systems, sewer collection systems, and sensitive environmental habitats in the area. The Board of Supervisors is requested to ratify this declaration at its next regularly scheduled meeting of February 24, 2009.

This concludes the CAO report.
