County Administrative Office

On March 24, 2009, the Monterey County Board of Supervisors and County staff will be participating on Job Shadow Day with approximately 44 North Monterey County High School students from 10 a.m. to 2:30 p.m. This program allows students to spend part of the day with their assigned mentors and receive valuable information about career opportunities available in local government, and it also provides them an opportunity to interview them in order to complete their school assignment and write about their job shadow experience. We would like to thank Elizabeth Yezek, Career Coordinator, on behalf of the school for their continued interest in having Monterey County participate each year, in addition to the mentors who participated this year and in previous years.

This concludes the CAO report.
