

MEMORANDUM

MONTEREY COUNTY

PLANNING AND BUILDING
INSPECTION DEPARTMENT

DATE: September 26, 2006

TO: SUBDIVISION COMMITTEE

FROM: Taven M. Kinison Brown

SUBJECT: PLN000196 Carlsen Estates / Paco LLC.
September 28, 2006 Agenda Item #2 @ 11:15

Staff requests that the Subdivision Committee continue this item two weeks to the regularly scheduled meeting of October 12, 2006 to assure that all parties who have expressed an interest in this development proposal are given proper notice. Staff had noticed the item in the local newspaper, mailed notices to property owners within 300 feet of the subject property, and had provided public notices to be posted on the property, yet missed drawing addresses and names from our concerned parties list.

To assure that everyone interested in the development proposal has notice, staff recommends that this item be continued to October 12, 2006.
