## MEMORANDUM

**Date:** July 18, 2013

**To:** Zoning Administrator, Jacqueline Onciano

**From:** Elizabeth Gonzales, Associate Planner 

**Subject:** Garrett PLN110134

**cc:** Bob Schubert, Senior Planner; Wanda Hickman, Manager; Maureen Wruck  
Planning Consultants, Applicant

On June 27, 2013, this Administrative Permit to allow the construction of a road and a one-lane bridge over the San Jose Creek to access the Homeland Boundary was continued to July 25, in order to address a comment made on the Initial Study that was circulating from May 21, 2013 to June 21, 2013. The comment received was from the Conservancy of the Santa Lucia Preserve. They had concern with a Wetlands delineation on the property and whether the bridge would be built within that wetland. Staff visited the site again on July 9, 2013 and determined the road and bridge needed re-staking. Because of the new information received, recirculation of the Initial Study will be required.

Therefore, staff is requesting an additional Continuance to September 26, 2013.
