**Date:** September 12, 2013  
**To:** Zoning Administrator, Jacqueline Onciano  
**From:** Elizabeth Gonzales, Associate Planner  
**Subject:** Garrett, PLN110134  
**cc:** Luis Osorio and Wanda Hickman

This project was continued to September 26, 2013 from the July 25, 2013 Zoning Administrator hearing because during circulation of the Initial Study a comment was received from the Santa Lucia Conservancy and staff found that due to additional information submitted for the comment, re-circulation of the Initial Study would be required. As part of preparing to re-circulate, staff needed to consult with USF&W and CF&W during a quarterly meeting at the end August. Thus, not allowing sufficient time to present the project at the September 27, 2013 ZA hearing. Therefore, staff is requesting a Continuance to October 31, 2013. The applicant is in concurrence with the Continuance.
