My dear Sir,

Concerning the subject of the Pebble Beach
Company "Del Monte Forest Preservation and Development
Plan" Applications PL No 10264 & PL No 10541

I wish to state that I have been a property
owner in Pebble Beach since 1961 a period of
43 plus years.

In this expanse of time I built a modest
home and raised my family, and have never
seen the Pebble Beach Company nor its former
owners "The Del Monte Properties" do or permit
anything contrary to the betterment of the
Del Monte Forest.

Very sincerely

Daniel La Mothe
