Re. PLN010254, PLN010341

Dear Mr. McCue:

This letter is to let you know of my strongest support for a contiguous improved walking trail to connect the Pacific Grove trails with the beach walks in Carmel. I believe it would be a great asset for both locals users and tourists alike.

There are existing fire roads in Del Monte Forest which could be upgraded to provide walking or even cycling access from the surrounding communities.

Thank you for your consideration.

Very truly yours,
