Dear Mr. McCue:

I have received your Notice of Public Hearings dated 4 November 2004 about the Pebble Beach Company's "Del Monte Forest Preservation and Development Plan" to be held 18 November. As you know, I have already submitted to your office my professional critique about the acoustics and noise control items in the Pebble Beach Corporation Plan.

I continue to stand ready to assist your office on these topics (pro-bono). Just call me when you need me.

Sincerely,

Herman Medwin
