**FINDINGS AND DECISION**

to allow a **Combined Development Permit** in accordance with Title 20 (Zoning) Chapter 20.76 (Combined Development Permits) of the Monterey County Code, consisting of a Coastal Administrative Permit and Design Approval to allow the demolition of an existing 980 sq. ft. single family residence, and the construction of a new 8,422 sq. ft. three-story single family residence and 768 sq. ft. attached three-car garage; Grading (706 cubic yards of cut/fill to be retained onsite), and a Coastal Development Permit to allow the removal of one 24" Monterey pine and one 16" Monterey cypress. Total coverage (structural and impervious) will be 5,009 sq. ft. The property is located at 1668 Crespi Lane, Pebble Beach, Del Monte Forest Land Use Plan, and came on regularly for meeting before the Zoning Administrator on August 31, 2006.

Said Zoning Administrator, having considered the application and the evidence presented relating thereto,

**FINDINGS OF FACT**

1. **FINDING: CONSISTENCY** – The project, as described in Condition No. 1 and as conditioned, conforms to the policies, requirements, and standards of the Local Coastal Program (LCP). The LCP for this site consists of the Del Monte Forest Land Use Plan, Del Monte Forest Coastal Implementation Plan (Part 5), Part 6 of the Coastal Implementation Plan, and the Monterey County Zoning Ordinance (Title 20) which designates this area as appropriate for residential development.

**EVIDENCE:** (a) The text, policies, and regulations in the above referenced documents have been evaluated during the course of review of applications. No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

(b) The property is located at 1668 Crespi Lane, Pebble Beach (Assessor's Parcel Number 008-392-006-000), Del Monte Forest Land Use Plan. The parcel is zoned LDR/1.5-D (CZ) ("Low Density Residential, 1.5 acres per unit, Design Control District, in the Coastal Zone"). The subject property complies with all the rules and regulations pertaining to zoning uses and any other applicable provisions of Title 20, and is therefore suitable for the proposed development.

(c) The project planner conducted a site inspection on May 4<sup>th</sup>, 2006 to verify that the project on the subject parcel conforms to the plans listed above.

(d) The Minor Subdivision Planning File No. PLN010100 allowed the division of a 4.9 acre parcel (Assessor's Parcel Number 008-392-001-000) into two parcels. The subject parcel is one of these two parcels.

(e) Combined coverage (structural and impervious) is 5,009 sq. ft. approximately 3,991 sq. ft. below the 9,000 sq. ft. maximum allowed in the Del Monte Forest Land Use Plan.

(f) The proposed driveway and parking area (3,468 sq. ft.) will be constructed from approved pervious materials.

(g) The project was referred to the Del Monte Forest Land Use Advisory Committee (LUAC) for review. The LUAC approved the project (5-0) on May 4<sup>th</sup>, 2006. Comments were

noted with regard to the need for two driveways in order to adequately access the parcel. The project was subsequently redesigned to include only one driveway in accordance with Section 20.147.090A.1. of the Del Monte Forest Coastal Implementation Plan.

- (h) The application, plans, and related support materials submitted by the project applicant to the Monterey County Planning and Building Inspection Department for the proposed development found in Project File PLN060032.

**2. FINDING: SITE SUITABILITY** – The site is physically suitable for the use proposed.

- EVIDENCE:**
- (a) The project has been reviewed for site suitability by the following departments and agencies: Planning and Building Inspection, Pebble Beach Fire Protection District, Parks, Public Works, Environmental Health Division, and Water Resources Agency. There has been no indication from these departments/agencies that the site is not suitable for the proposed development. Conditions recommended have been incorporated.
  - (b) Technical reports by outside historical, archaeological, and forestry consultants indicated that there are not physical or environmental constraints that would indicate that the site is not suitable for the use propose. County staff concurs. The following reports have been prepared:
    - Forest Management Plan (LIB060365) prepared by Frank Ono, Pacific Grove, CA, March 16<sup>th</sup>, 2006.
    - Historic Survey (LIB060367) prepared by Anthony Kirk, Santa Cruz, CA, June 19<sup>th</sup>, 2006.
    - Supplementary Archeological Reconnaissance (LIB060366) prepared by Mary Doane and Trudy Haversat, Salinas, CA, January 6<sup>th</sup>, 2006.
  - (c) Staff conducted a site inspection on May 4<sup>th</sup>, 2006 to verify that the site is suitable for this use.
  - (d) Materials in Project File PLN060032.

**3. FINDING: CEQA (Exempt):** - The project is categorically exempt from environmental review.

- EVIDENCE:**
- (a) California Environmental Quality Act (CEQA) Guidelines Section 15303(a) categorically exempts the construction of a single family residence in a residential zone.
  - (b) No adverse environmental effects were identified during staff review of the development application nor during a site visit on May 4<sup>th</sup>, 2006.
  - (c) The Historical Survey (LIB060367) prepared for the project concluded that the existing residence is not eligible for listing in the Monterey County Historic Resources Inventory or the California Register of Historic Resources.
  - (d) The Supplemental Archaeological Reconnaissance (LIB060366) prepared for the project concluded that there is no surface evidence of potentially significant archaeological resources in the project area or on the project parcel.
  - (e) In accordance with the Forest Management Plan (LIB060365) prepared for the project, one 24" multi truncated Monterey pine tree and one partially uprooted 16" Monterey cypress tree will be removed. No other trees or major vegetation are proposed for removal.
  - (f) See preceding and following findings and supporting evidence.

**4. FINDING: NO VIOLATIONS** - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's

zoning ordinance. No violations exist on the property. Zoning violation abatement costs, if any, have been paid.

**EVIDENCE:** (a) Staff reviewed Monterey County Planning and Building Inspection Department records and is not aware of any violations existing on subject property.

5. **FINDING: PUBLIC ACCESS** – The project is in conformance with the public access and public recreation policies of the Coastal Act and Local Coastal Program, and does not interfere with any form of historic public use or trust rights (see 20.70.050.B.4.). No access is required as part of the project as no substantial adverse impact on access, either individually or cumulatively, as described in Section 20.70.050.B.4.c. of the Monterey County Coastal Implementation Plan, can be demonstrated.

**EVIDENCE:** (a) The subject property is not described as an area where the Local Coastal Program requires access.  
(b) The subject property is not indicated as part of any designated trails or shoreline access as shown in Figure 15, the Recreational Facilities Map, and Figure 16, the Shoreline Access Map, of the Del Monte Forest Area Land Use Plan.  
(c) No evidence or documentation has been submitted or found showing the existence of historic public use or trust rights over this property.  
(d) Staff site visit on May 4<sup>th</sup>, 2006.

6. **FINDING: TREE REMOVAL** – The project includes a Coastal Development Permit to allow the removal of one 24” multi truncated Monterey pine tree and one 16” partially uprooted Monterey cypress. The Required Findings in order to grant the permit for tree removal have been met.

**EVIDENCE:** (a) Section 20.147.050.A.1. A Coastal Development Permit must be obtained for the removal of trees and other major vegetation.  
(b) A Forest Management Plan (LIB060365) was prepared for the project.  
(c) The parcel is not located within the Monterey cypress indigenous range (Del Monte Forest Local Coastal Program, Resource Maps, Vegetation Cover).  
(d) Removal of the Monterey pine and Monterey cypress will occur in accordance with the Forest Management Plan prepared for the site.  
(e) Measures for tree protection during construction have been incorporated as conditions and include tree protection zones and trunk protection.  
(f) The removal will not involve a risk of adverse environmental impacts.

7. **FINDING: HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

**EVIDENCE:** (a) Preceding findings and supporting evidence.

8. **FINDING: APPEALABILITY** - The decision on this project is appealable to the Board of Supervisors and the California Coastal Commission.

**EVIDENCE:** Sections 20.86.030 and 20.86.080 of the Monterey County Zoning Ordinance (Title 20).
