MEMORANDUM

Date: April 1, 2014
To: Planning Commission Members
From: David J. R. Mack, Associate Planner
Subject: PLN130297 – Grandeur Ventures #1
cc: John H. Ford, Planning Services Manager
Planning File No. PLN130297

Staff would to request a continuance to "a date uncertain" on this matter to allow the applicant to determine additional construction and/or grading work which will be required to move this project forward.

Shortly after the conclusion of the previous Planning Commission hearing, the existing residence caught on fire and has been completely destroyed. Until a new residential design and associated clean-up and grading work can be determined the project cannot move forward.
