

MEMORANDUM

BUILDING SERVICES

Resource Management Agency

County of Monterey

Date: July 25, 2007

To: Members of the Planning Commission

From: Dale Ellis

Subject: Code Enforcement Ordinance – Recommendation for Continuance to August 29, 2007.

It is recommended that the Planning Commission continue its public hearing on the County code enforcement ordinance to August 29, 2007. The reason for the recommendation is that the continuance would:

1. Free some additional time for the Planning Commission's subcommittee on the General Plan to meet.
2. Allow Tim McCormick, the incoming Director of Building Services, an opportunity to become more familiar with the proposed ordinance and the issues that have been raised to date.
3. Allow staff additional time to continue to address the issues that have been raised.
