**Subject:** **PIZANO-HORN; PLN030075, Scheduled for the Planning Commission public hearing on September 26, 2007, item no. D-2 at 9:30 AM.**

**Request for continuance to the Planning Commission Hearing on October 31<sup>st</sup>, 2007.**

This item was continued from August 29<sup>th</sup>, 2007. Planning staff is continuing to work with the Water Resources Agency to address the long term water supply for the proposed 10-lot subdivision fronting on and southerly of Jolon Road, west of New Pleyto Road in the Lockwood area of South County. The intent is to update the CEQA review and staff findings for the 10-lot subdivision based on the latest hydrogeological studies for the area.
