

**MONTEREY COUNTY**  
RESOURCE MANAGEMENT AGENCY – PLANNING DEPARTMENT

---

**MEMORANDUM**

**Date:** March 21, 2008

**To:** Planning Commissioners

**From:** Elizabeth A. Gonzales, Associate Planner

**Subject:** Caltrans PLN070600 Combined Development Permit

Although the staff report is done, staff is requesting a Continuance from the March 25, 2008 hearing to April 9, 2008.

This is a very complicated project that requires an Amendment to the North County CIP which the California Coastal Commission must adopt.

Caltrans staff agrees with Monterey County staff that additional time is needed to fine tune the report as necessary to accomplish this goal.

Thank you.
