

**Before the Planning Commission in and for the
County of Monterey, State of California**

**RESOLUTION NO. 10-007
FINDINGS AND DECISION**

The Planning Commission makes this resolution with reference to the following facts and circumstances:

1. Pursuant to Government Code sections 65401 and 65402, a list of major public works projects from the Monterey County Capital Improvement Program (CIP) for FY 2010/11 was submitted to the Monterey County Planning Commission on March 31, 2010 for the Commission's review and report as to the conformity of the CIP with the County's General Plan.
2. The Planning Commission reviewed and considered a list of major public works projects from the Monterey County Capital Improvement Program (CIP) for FY 2010/11 with regard to whether it is consistent with the 1982 Monterey County General Plan pursuant to the requirements of state law.
3. The Planning Commission has reviewed a list of major public works projects from the Monterey County Capital Improvement Program (CIP) for FY 2010/11 and has concluded that all the projects conform with the 1982 General Plan. This conclusion is based on review of each of the subcategories in the list of major public works projects from the Monterey County Capital Improvement Program (CIP) for FY 2010/11 and a determination that they fit into the following categories:
 1. Upgrades or additions to existing government services within Public and Quasi-Public facilities consistent with the 1982 General Plan.
 2. New projects and additions to existing facilities that require permits and environmental review that ensures compliance with goals and policies of the 1982 General Plan and that are identified as Public-Quasi Public (PQP) facilities designated as allowed uses in the 1982 General Plan ; and,
 3. Projects that have already been reviewed in previous environmental documents and or have required County permits where there was a determination that the project or program was consistent with the 1982 General Plan for uses designated as Public Quasi-Public uses in the 1982 General Plan.

NOW, THEREFORE, the Planning Commission determines that the list of major public works projects from the Monterey County Capital Improvement Program (CIP) for FY 2010/11 conforms to and is consistent with the 1982 Monterey County General Plan.

PASSED AND ADOPTED this 31st day of March, 2010 upon motion of Commissioner Vandevere, seconded by Commissioner Salazar, by the following vote:
